SONOMA'S STREET BOND ELECTION POSTPONED

Defects in Ordinance's Context and Publication Delays Call to Vote Money For Improvements.

A special meeting of the City Trustees was held last Tuesday morning to consider certain alleged defects in Ordinance No. 149 calling a bond election for streets and sewer improvements April 26th. The ordinance had received one publication in the Expositor and mistakes in the printing of it together with defects in its context were discussed by experts representing Freeman Smith and Camp, bond buyers and by Attorney W. G. Deal who appeared in the interest of Howe and Peters engineers who supplied the ordinance.

Mr. Deal acknowledged defects and as the bonds will be bought by Freeman Smith and Camp if preliminaries are in accordance with their requirements it was decided to redraft the ordinance. One of the required changes was specifying in the ordinance the distinct proposition, sewer and streets. Voters must stamp their ballots on each of these propositions. The bonds are to be designated six per cent instead of five and one-half per cent bonds as originally, their sale being assured to the firm present at the new rate of interest.

The corrections in the Ordinance and its republication will delay the election about one month.

The fact however that the bonds are sold if the voters authorize them on the new date makes practically certain the much needed improvements for Sonoma.

Mrs. Nancy Bates Olin has been up on a visit to her parents.

You will read it first in the Index-Tribune.

TRUSTEE BERETTA AND BRIDE ON HONEYMOON

City Trustee Was Blushing Groom Night of Official Meeting But Did Not Tell Conferees.

The happy news has leaked out that City Trustee Angelo Beretta was already a happy bridegroom when he appeared at the last week's meeting of the Board of which he is a member. The marriage of the popular official and Miss Angela Mazza took place Wednesday evening just prior to the trustees' meeting. No one there noticed the extra radiant smile of Trustee Beretta, for he always smiles, and no one suspected when he said "yes" on a number of important propositions that he had so recently uttered the solemn "yes" at the altar and that the one girl in the world had just promised to love, honor, and obey him. So he escaped an avalanche of congratulations and got away on his wedding tour very quietly.

Mr. and Mrs. Beretta are enjoying a motor tour in Southern California, and upon their return home will be the recipients of a big chivari and reception by their many friends.

The wedding ceremony was performed by Rev. Father Byrne at St. Francis church, with Mrs. Joseph Vella and a brother of the bride as witnesses.

Mrs. A. Stein entertained the Jolly Twelve at her home on Second St. East last week. To-night she will be hostess to the same coterie of ladies and their husbands. Cards will be the diversion supplemented with light refreshments.

Alice M. Kunde has been granted a \$100 per month family allowance from the Estate of her late husband Karl Kunde, the young Kenwood vintner.

RECALL AGITATION FALLS FLAT HERE

The recall agitation intended to stir up prejudice against District Attorney Hoyle who is charged with "obstructing" highway progress in Sonoma County because he insisted on the protection of the interest of the tax payers, has fallen flat in Sonoma Valley. Those who might have interested themselves in this phase of the road matter to the extent of ascertaining just what part Mr. Hoyle played in it are now convinced that he did nothing but his plain duty and that there was not an iota of reason on which to base a recall.

It became evident that the recallers had no case when they began to attack Hoyle for not proceeding against Sonoma Valley resorts and brought the name of Mrs. Robt. P. Hill of Eldridge, a member of the county probation committee, into the fracas, demanding certain correspondence which had passed between her and the District Attorney two years ago.

The letters were relative to alleged infractions of the law at the resorts here and Hoyle is credited by the local reform sheet with "requesting Mrs. Hill to do patrol duty in Sonoma Valley's Barbary Coast." Such language and far-fetched jargon in connection with the highway recall campaign has opened the eyes of voters all over the county to the tactics of the clique seeking to remove from office an arbitrary path a conscientious District Attorney whom they can not coerce or dominate.

HORSES RAN AWAY ON MOUNTAIN GRADE

Mr. and Mrs. Jones of the former Moran ranch, in the hills back of Glen Ellen had an exciting and disastrous runaway accident one day this week when their two horses took flight coming down the steep grade and were not stopped until they had reached the Reed place.

In the runaway, Mrs. Jones was thrown out and suffered a dislocated elbow and many contusions. Her husband who was unhurt summoned Dr. Hays who attended to Mrs. Jones' injuries.

WILL BE POPULAR FEATURE OF UP TO DATE STORE

A music and rest room has been built and fitted up by Al Stein as cozy headquarters for town shoppers. The annex is equipped with conveniences and comfort for ladies and the main room will be at the disposal of those who want to try out new records and the latest music.

It is a decided innovation for Sonoma and one that will be welcomed by the local shoppers. You are invited to call by Mr. Stein and inspect the latest feature of his store.

MISS BETTY YENNI WEDES

Miss Elizabeth (Betty) Yenni, of Schellville, and James Miller of the same vicinity, took out a license to wed in San Francisco this week.

Miss Yenni is a daughter of John Yenni, prominent dairyman, and is a charming girl of many fine traits of character.

What might have been serious fire for Glen Ellen was extinguished recently when it started in the vicinity of the store of Mrs. Bonnevechio. Volunteer fire fighters and prompt action prevented any loss.

Mrs. Jack Picetti, wife of the prominent vintner, who was operated upon at the Shurtiff hospital in Napa last week is doing nicely. Mrs. Picetti's many friends hope for her early return home.

Mrs. Ramona Lynch is down from Mendocino County helping the Index-Tribune printing establishment for a week or two. She is an experienced printer and proof reader.

The post Lenten entertainment for St. Francis church last Saturday was a big success. The program was excellent and also the jazz music provided for dancing. Father Byrne knows how.

Mrs. Mary Shaw, the interesting and popular pioneer resident of Sonoma Valley, celebrates her 81st birthday this week. Mrs. Shaw is remarkably youthful for her years and is being heartily congratulated on reaching another milestone in life.

Al Warriner who has a fine government position in the radio service where he is engaged in the installation of wireless plants was up recently on a visit to his father. Al leaves for the South shortly.

Put on your old gray bonnet or your shiny coat and attend.

MET WITH ACCIDENT IN CEMETERY

Mrs. Guinnini wife one of the new owners of the Cornwall place at Buena Vista met with an unfortunate accident while attending a funeral Tuesday. She tripped on a rock at Mountain cemetery and fractured her ankle. Dr. Hays attended her and later she was removed to San Francisco where she will be cared for by relatives. Mrs. Guinnini had recently arrived from Eureka to take possession of the Sonoma ranch property acquired by her husband. She was stopping at the El Dorado Hotel.

THE AMERICAN LEGION DANCE

The May first dance of the American Legion promises to be as big a drawing card as the last fine affairs given by our ex-service men. Valley of the Moon Post is leaving nothing undone to give everyone a royal time. McCarthy's Jazz band of San Francisco which was heard here at the St. Francis entertainment last Saturday night and made such a decided hit has been engaged for the affair.

PUBLIC LIBRARY ENTERTAINMENT WEDNESDAY NIGHT

"My Own United States," Metro's historical American drama with Mr. Arnold Daly as the star, which will be shown at the Don Theatre on Wednesday night, April 21, pictures the most interesting pages of our Nation's history. It is not a war picture but a romantic drama with historical characters in events of vital import that hark from the present day to the very infancy of this great republic.

The entire picture is played against a chain of historic scenes, including the duel of Alexander Hamilton and Aaron Burr, the decisive battle of the famous frigate "Constitution" with the Algerian pirates, Jefferson signing the warrant for Aaron Burr's arrest, the Battle of Vicksburg, and others of like significance, each of which is enacted with utmost fidelity.

Over a thousand United States sailors appear in the vivid scenes of hand to hand combat in "My Own United States."

Because of the historical nature of the production, Secretary of the Navy Josephus Daniels not only granted permission for the staging of scenes abroad the old frigate "Constitution" at the Charleston Navy Yard, but also allowed the sailors to act in the picture. With the spirit of sportsmanship which is typical of our American youths, the sailors put up a lively fight in scenes depicting a battle with the Algerian pirates.

The proceeds from the performance Wednesday evening will be shared with the Public Library under the auspices of whose trustees the photoplay is being given.

LUTHER BURBANK TO BE HONORED

Santa Rosa is planning to honor her most prominent citizen, Luther Burbank, with a great celebration May 1st, at 2:30 p. m. Saturday. An elaborate open air pageant entitled "The Sunworshippers" will be produced under the direction of Fred Carlyle, dramatic coach for the University of California.

Over 250 group and solo dancers will undertake an allegorical dramatization of the four great historical epochs of the worshippers of the Sun. The last act will portray Burbank's creative endowment through the aid of the Sun, which is so often quoted by this great plant specialist as the source of all plant and animal life. The coming event is being given wide publicity. Elaborate preparations are being made to welcome the thousands of people who will journey from different parts of the state to visit the home of Luther Burbank.

1920 CITY ELECTION WAS A QUIET ONE

The city election passed off very quietly last Monday. Less than 50 votes were cast. Trustees Breitenbach and Bulotti were re-elected, together with City Clerk H. W. Gottenberg and City Treasurer W. F. Clewe. They had no opponents.

A relative of the late S. Zeifman of El Verano who held notes of deceased so he alleges has come forward to get satisfaction for indebtedness which he claims should be settled out of the estate.

The First National Bank of Sonoma announces that it is prepared to convert the Liberty Loan bonds of the first and second issues for 4 per cent bonds.

Mrs. Greeley of La Jolla will be hostess to the Ladies Aid of the Congregational church at the next meeting to be held at the pretty home of her daughter, Mrs. L. S. Simmons.

SONOMA CLUBWOMEN TO GIVE JACK LONDON LIBRARY BENEFIT

At the last meeting of the Sonoma Valley Womens Club it was decided to give a benefit card party for the Jack London Memorial Library Friday night next. The favorite "50¢" will be played and the admission price will include delicious refreshments. Sonoma should respond to this opportunity to aid its sister neighborhood to acquire the splendid building designed as an enduring tribute to the famed author of the "Valley of the Moon."

The entire proceeds derived from the card party will be turned over to the Glen Ellen Womens Improvement Club.

The will dated February 1, 1918, was witnessed by R. A. Poppe and O. R. Wagner and left the property to the widow Elizabeth Marcucci, and children, Tony G., Jennie Church and Pauline Ricketts, and two grandchildren, Jas. and Pauline Maffie, of San Francisco. R. A. Poppe represents the petitioners.

Mrs. Elizabeth Marcucci has gone to Healdsburg, her former home, on a protracted visit. She is to leave her bungalow to the management of Caliente Villa so it is reported.

Each Church Member
— and for 34 Years Work

THAT is the kind of increase in salary the minister has received. His living expenses have risen just as fast and as far as yours.

But he is paid on the average just 52 cents more per church member than he was paid 34 years ago.

The Minister Never Fails You

Every officer of the Government with a war message to deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than government economists figure as a minimum for the support of an average family.

When hospitals need money they enlist the support of the ministers—and receive it.

But when sickness visits the minister or the members of his family they must be treated in a charity ward. His pay is less than a day laborer's.

8 out of every 10 ministers receive less than \$20 a week—about half the pay of a mechanic.

We Pay Him Half the Wages of a Mechanic

And of these pitifully inadequate salaries, how much do you contribute? Nothing if you are outside the church; an average of less than 3c a day if you are a church member.

All of us share in the benefits of Christian ministers to the community. They marry us; bury us; baptize our children; visit us when we are sick. In their hands is the spiritual training of the youth.

We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living wage for every minister of Jesus Christ; an efficient plant, and a chance to do a big man's job.

NO TIME FOR GRAND STANDERS, BUT WILL FIGHT FOR TRUTH

Where a cause is lost or thoroughly unworthy the only thing that will be offered in place of sound argument, reason and facts is mud plenty of it—the kind that is now being thrown by the recallers who are trying to get the people to recall District Attorney Hoyle. Finding that they have no ground to stand upon, no valid reasons except a grudge and maliciousness to offer voters whom they would mislead to do their bidding the recallers and their noisy mouthpiece, the Santa Rosa Republican, seek to confuse the highway issue and hide their weak points thereon by dragging in the charge that District Attorney Hoyle has not assisted in the Fetters persecution.

The Republican takes a fling at Sonoma's leading newspaper and for its statement that it stands for the resorts reputable and disreputable invites a libel suit. This newspaper has never condoned a disreputable act. It has demanded more than scandalous gossip in connection with branding a resort disreputable and has fought consistently against the vile name which men like Senator Grant gave to every resort in Sonoma Valley, if not in the whole county.

The resort which has been the stock in trade object of attack for the reform element in this section for the past twelve years has been patronized by thousands of people for the most part prominent, respectable and leading citizens. Like any big public resort or hotel there were objectionable characters and unavoidable occurrences which are not to be condoned but might have happened anywhere although it was always a far more heinous crime if committed in the vicinity of Fetters Springs.

The Index-Tribune has the confidence of a big family of readers and when we assure them that we have sought in vain for convincing evidence of these "heinous crimes" or that such were aided or abetted by the proprietors of the resort they know full well that we are giving them the result of a searching inquiry, unbiased and uninfluenced from any quarter. The Santa Rosa Republican editor would give his readers the very same opinion if he expressed his true opinion but right now he must stultify himself with reformers to try and bolster up the big noise he started to get some body's goat.

We are too busy attending to our legitimate business (very busy just now thank you) to waste more time on a county seat paper that gives space to such evident grandstand twaddle as the Republican, but we still have time to fight for the right and will continue to present the facts of the unjust attack on District Attorney Hoyle until his detractors are repudiated at the polls and the Sonoma County obstructionists and their methods are aired to our satisfaction.

THE ROAD MATTER JUST AN EXCUSE

The paper which states that the Index-Tribune is fighting tooth and nail against the recall of District Attorney Hoyle has not begun to get a fair sample of our fighting qualities—yet. We do not have to resort to the primitive however, preferring to make an appeal to the fairness and intelligence of the men and women of Sonoma County who are asked to recall an honest official at a cost of \$8000 to the taxpayers. Everyone in Sonoma Valley knows and everyone in Sonoma County should know that a certain clique has sought to control the District Attorney's office since the days of Clarence M. Lea.

Lea would not do the bidding of those who would exercise their arbitrary sway regardless of law or justice and was forced to fight his detractors even as his successor. This element does not want District Attorney Hoyle recalled because of road matters and those who do wish to see him recalled because of his stand for exactness in road methods know they have no valid reason to demand his recall on any grounds connected with the highway issue. The road mix-up is an excuse to "get" Hoyle. The extraneous charges they are sweating to array against him proves it beyond question.

"THE FACTS ARE THESE"

The Index-Tribune's reputation for truth, honesty and integrity in the community of which it has been part and parcel for more than 35 years is evidenced by its steady growth and prosperity and a circulation which without doubt is the largest of any weekly newspaper in Sonoma County. The Index-Tribune does not mislead its readers and never will notwithstanding the abuse of the envious and malicious who since at our straightforward fearless statements on the recall and are trying a counter irritant to silence a voice which they know must be reckoned with. Index-Tribune readers will continue to get the facts and truth. The public depends on us and we will not fail them or be pulled down.

NEW PRICE FOR BULLETIN AND INDEX-TRIBUNE

Effective April 10th, the price of the Bulletin and The Index-Tribune for one year will be \$7.00, instead of \$6.00 as formerly. The Bulletin has raised its price to us, hence the new rate. The regular yearly subscription rate for the Bulletin alone is \$6.00. The price of the Index is \$2.00 per year. Bulletin and Index together, \$7.00 per year. Nuf sed.

ORGANIZATION, IN VOTE, OPPOSES THE RECALL

Bennett Valley Grange unanimously adopted a resolution expressing confidence in District Attorney Geo. W. Hoyle and Supervisor W. L. Cunningham, against whom recall proceedings have been undertaken. Leslie Crane, master of the grange, presided at the meeting which was well attended. Following the regular business, the meeting was thrown open for discussion and after the proposed recall election had been considered at some length, the resolution mentioned was adopted unanimously and by a rising vote.

After listening to an address by District Attorney Geo. W. Hoyle, Fulton Local of the Taxpayers' Protective Association last night unanimously adopted the following resolution:

Whereas there is a movement on foot to recall District Attorney Geo. W. Hoyle and Supervisor W. L. Cunningham, and

Whereas, it is claimed that the people of this district and this county are demanding their recall, and

Whereas, we believe the recall movement to be the natural fruit of falsehood and misrepresentation and a failure to understand the true situation; therefore be it

THE GASOLINE SITUATION

The Necessity of Conservation

There exists to-day on the Pacific Coast an acute shortage of gasoline. As this company has pointed out on several occasions, the condition is due to insufficient production of crude oil and a greatly increased consumption of gasoline by industry and by owners of pleasure cars.

Gasoline is a vital factor in the life of the community, industrially and otherwise, and it is of the greatest importance, at this juncture, that it be used with the utmost discretion, that essential requirements may be supplied.

The present is by no means the season of maximum demand, which comes later in the year. The condition, therefore, is likely to be continuing, rather than transitory.

Responsibility for meeting the situation does not rest solely upon the oil industry. The public also has a serious duty in the matter.

On its part, the Standard Oil Company is straining its resources and organization to increase the supply of gasoline. In the field it is working for the maximum production of crude oil. In the refinery it is working for the maximum production of gasoline from the crude oil and it is spending large sums of money on equipment for new processes, of its own discovery and development, whereby a still greater yield of gasoline will be obtained.

The point already has been reached where gasoline must be conserved most carefully. That is a duty of the public. In consumption of this product, essential industries must necessarily come first—pleasure utilization thereafter.

Already the Company has taken steps toward protecting the supply for the vital needs of industry which, if lessened, would affect the business life of the community. There is now the danger of a curtailment of supply to non-essentials such as pleasure cars.

The assistance of the public, therefore, is imperative. Until lately, gasoline has been abundant, and its lavish and extravagant use has been possible. That time is past.

Buy as little gasoline as possible.

Use what you must—Waste none.

BOARD MAY SELECT KENWOOD RANCH AS REFORMATORY SITE

It is known here that a short time ago a committee visited the old W. D. Reynolds ranch in the hills of Kenwood to look over the place as a possible site for the new state institution which is to be built for the accommodation of delinquent women. The recent legislature made an appropriation of \$250,000 for the establishment of the proposed reformatory. The report of this committee, it stated, will be ready soon and considerable interest has been aroused among those who know that this site has been one of those considered.

The ranch was bought by the state owing to the value of the splendid water supply it's springs afford, and with a view of sooner or later conducting the water pipe line to the Sonoma State Home ten miles distant where more water has been needed urgently for a number of years. Since the state bought the property a number of additional springs have been discovered on the place and plans made for their development. The cattle and other livestock from the State Home have been put on pasture on the place and a number of the high grade male inmates have been put to work there.

The managers of the Sonoma State Home, it is understood, do not look with favor upon the proposed new reformatory for women being made any part of the Sonoma State Home and its particular line of work among the feeble minded for whose care the home has been operated many years. It is also known that the managers desire that the recently purchased ranch be set apart entirely for the special uses of the home as outlined, and not turned over to another institution whose work is far removed from the care and training of the feeble minded not in the class with the new branch of reform work the new institution is planned for.

D. R. RANDOLPH'S DEATH CAUSE OF REGRET HERE

The death of D. R. Randolph which occurred in San Francisco last week is deeply regretted in Sonoma Valley where he had a wide circle of friends and where his family have made their home for some years past.

VINEBURG NEWS

Mrs. Charles McDevitt and family of Sonoma were the Easter Sunday guests of Mr. and Mrs. Fred Batto.

One of our progressive citizens, Frank Allen, a well known poultry man residing on the Hyde tract, has furnished Vineburg with what it has wanted for a long time—a barber shop. Frank is an expert in this line of business and all the boys are happy, even the "ex-mayor." Look out for your "lilacs", Jake.

Mr. and Mrs. Fred Batto and family, accompanied by Adele Andrius, motored to Santa Rosa on Monday evening and attended the performance at the "Cine."

Messrs. Newt Dal Pozzetto and Jack Poulson, two of Sonoma City's political bosses, transacted business in this vicinity on Tuesday. Both gentlemen say that the recent city election was a "very dry one."

Mr. and Mrs. August Figue of San Francisco returned home last Sunday after spending a pleasant week at the John Batto residence. During their stay, accompanied by Mr. and Mrs. John Batto, they motored to the principal points of interest in Sonoma and Napa counties and were the guests of friends.

Frederick Durbin Jr., one of Sonoma City's bright young native sons, was transacting business in this vicinity Thursday. Fred is now with the Globe Milling Co.

The many friends of Mr. Louis Martin, who has been quite ill for the past two weeks, will be glad to hear that he is now better.

Dollie Dimples and Lou Lewis say that there are two prunes in Vineburg that do not know how to play cards and they ought to change their names to "Hook" and "Crook."

Mrs. Grover Rubke was given a

jolly surprise by friends and neighbors in honor of her birthday this week. About seventeen guests gathered at the home of the popular young matron and there was feasting and jollity and many congratulations bestowed.

The ranch formerly owned by Grover Rubke and sold by him last year has been resold to parties by the name of Weirley from San Francisco. Miss Henrietta Weber was up from San Francisco last Saturday evening. Mr. Fred Batto motored to Napa on Sunday last accompanied by Mr. and Mrs. John Batto and were the guests of friends.

Theodore Antheim, the young son of Mr. and Mrs. Theo. Antheim was taken to Napa on last Wednesday and operated upon for appendicitis at the Hennessey sanitarium. His many friends will be pleased to hear that he is doing nicely.

Attorney Robert A. Poppe was transacting business in this vicinity on Thursday last.

A MESSAGE OF WARNING

READ! IMPORTANT!

Do you realize that the value of your insurable property, if acquired before 1916, has practically doubled? Do you know that the present cost of replacement, less a reasonable reduction for use, would be the basis of payment in the event of loss or damage? Have you increased your insurance proportionately? If not, you are liable to suffer a severe monetary loss. See me.
